Our Next Meeting

Our next meeting is Sat. May 9, 2015
10:30 A.M. (pre-meeting activities – 9:00 A.M.)
Pleasanton Senior Center

From The Pres

By Bob Kehl

We just got back from another great trip to the 9th annual Oakhurst Rendezvous! Twenty Six TVC members and their spouses attending and teaching at the Oakhurst Rendezvous reported having an enjoyable and educational experience at the event. There were many opportunities in various classes to learn techniques from the teachers that we can use in our carvings. I was disappointed that the Native flute class had been cancelled; however I spent several hours with a flute carver from the Central Coast Carvers that was very informative for carving flutes. This was another example of the sharing of experience and camaraderie that you can have at the event. Take a look at the photos attached in this newsletter.

There are a lot of activities coming up this month. Check out the details in the “Mark your Calendars” section for times and dates. As of this writing, we are gearing up for the Capital Woodcarvers Spring Sacramento Wood show May 2nd & 3rd. The club will have two tables. We will be teaching our soap carving for the kids and selling soap carving kits. The club will also have two tables at the Santa Clara Valley Carvers show May 30th-31st. We will also be teaching soap carving. These events are great fun and offer an opportunity to get feedback from judging of our carvings. The Maker’s fair also is in this month! The dates are May 15-16th. Make sure you check with Ken on participation, times, and location. Nobody in the club should ever feel there is nothing to do with so many opportunities.

One last comment on the subject of club opportunities for fun, make sure you participate in our club’s whittling contest. I have seen several neat ideas in progress from the members. I started a little person, but I rounded up the scale and ended up with a 4 inch character, So, I’ll start over. This is not a big problem, as there is not a lot of wood used in this project and I’ll end up with a 4inch and 3inch character. The details of the contest are in the “Bulletin Board” printed in this newsletter.

## Bulletin Board

[:] **Tools Wanted:** Earl Reilly is looking for some of the following tools: a reciprocating unit by either We-cheer, Mastercarver, or ForeDom. Also, he needs an engraver to use to sing initials in wood. If you can help him out, you can contact Earl at 510-258-9170

[:] **New Restaurant for TVC Show Dinner:** The new restaurant for our dinner on Saturday night, Sept. 19, will be a short walk across the street from the Vets' Hall to **the Gay 90s Pizza Restaurant**. We will be eating dinner under their covered patio out back, from 4:00-6:30ish. Each couple [or individual] can order what they wish from the extensive menu of pizzas and Italian cuisine, or several couples may go in on one order—like for a pizza. Menus were handed out at the April meeting and were also printed in the April newsletter. **Dinner order slips will be handed out at the May meeting for per-orders.** You may turn it in to Paul. I will turn in all orders on Monday, Sept. 14. [You may also email your order to me at [pdfac@comcast.net](mailto:pdfac@comcast.net)] The pre-order system will speed up our service on Saturday night and make everything go easier for all. Each couple will pay the waitress for their own dinner and beverage order. [You do not have to give Mike or Paul you money under this new system!] “Mangia bene!”

[:] **Carving Refurbishing:** Several carved donations are still available for “touching up” in time for the Show. See Bob. Also, there is a box of Harry’s stock of butternut for sale to members.

[:] **New: TVC Member Whittling Contest:** Friendly, intra-club competition WITH PRIZES!! Participating members will have 3 months to do their carving, which will be judged by 3 non-participants. The project for the first whittling contest is “Little People”. By “little”, we mean not taller or wider than 3”. If a stand is added, it does not count as part of the 3”; only the carved object will be judged. The judging classes will be Jr., Novice, Advanced, Expert, with 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> prizes of \$10.00, \$5.00, \$2.00. More details and up-dates will be coming from Bob.

[:] **Maker Faire:** Demo carvers are needed for this activity. We are going to participate in the 10<sup>th</sup> annual Maker Faire at the San Mateo Event Center on May 16-17. We will be displaying and demonstrating carving. Our goal is to show visitors examples from the many carving categories, and possibly, get some new members from the Faire visitors. Demonstration time are 10am-8pm, Saturday, May 16; and 10am-6pm, Sunday, May 17. NOW is the time to contact Ken Morgan, 925-548-5486 or [kjasmorgan55@comcast.net](mailto:kjasmorgan55@comcast.net) if you would like to do a few hours demonstrating.

[:] **Oakhurst Woodcarvers Rendezvous:** Our week of “carving camp” was really a lot of fun. We had a large variety of carving class from which to choose. The price, \$115, included morning coffee, a couple of dinners, and a potluck on Friday night. [We were VERY well fed!] Twenty-six Club members went this year and had a great time. Two new members, Kay and Claudia, were “first timers” and did some really nice projects. See some photos below.

[:] **Member Photos Needed:** Hey, Tri-Valley Carvers! Want your own web page in the Tri-Valley Website? You can have YOUR art featured with any type of wood art you have created! Please email your carving, burnings and turnings pictures to Lydia Bender at [lydiabender@live.com](mailto:lydiabender@live.com). Please also provide a picture of yourself so we can see who crafted your beautiful works of art. If you would like Lydia to take the photos, just contact her. If you want to send a disk or photo clip instead, no problem, just contact her. Send 1 photo or 100 photos...all is welcome...this is YOUR site—Your page! Hope to hear from you soon!

[:] **Monthly Show and Tell:** Requested format: 1) Created by member and completely finished; 2) Type of wood, if known; 3) Steps in creating the piece; 4) Approximate time required. NOTE: If possible, please let Bob Kehl know in advance what you are bringing.

[:] **Send or give your News items; Wanted or For Sale items, or Interesting Info** to Paul Fackler to be posted on our Club **Bulletin Board** for all to see.

## < *BROKEN BLADE* >

**Charles David "Dave" Gregory**  
**November 16, 1929 – March 18, 2015**

Dave Gregory; student and instructor to both families and friends, always willing to learn and to share his knowledge. This kind, gentle, loving man was a friend to all, Father to 5, Grandfather to 12 and Great-Grandfather to 9.

Dave was born in Albany CA and later joined the Air Force to serve his Country during the Korean War. While stationed in Louisiana he met Janeva "Jan", his soon to be wife. Dave and Jan moved to CA in 1954 and celebrated 56 loving years of marriage before Jan passed in 2009. Dave never remarried but in 2012 shared a commitment ceremony with special friend, Doris Miller.

National Cash Register was blessed to have Dave in their employment for 25 years before he decided to move on to other job opportunities. His time with NCR also inspired him to add many aged cash registers to his collections.

Dave loved being with people and had the gift of making everyone feel important and special. His love of people, gift of helping and a passion for wood carving, led him to serve as a volunteer for many years at the Pleasanton Sr. Center.

As a lover of golf, he delighted in many a game with the SIRS group and also enjoyed working at the Castlewood Golf Course. Some of Dave's other interests were a passion for collecting tools (both old and new) as well as books that helped fill his thirst for knowledge and provided peace during quite times.

As an avid tool collector, it only seems natural that Dave was an active member of Tri-Valley Wood Carvers since the 1970's as well as a member of the California Carvers Guild. His gentle, patient nature served him well during the many years he taught carving classes, which also included the tough job of sharpening of tools.

When Dave passed away the folks on Earth lost a great man but Heaven gained another special soul and an awesome carver.

As a very humble man, Dave was adamant that there be no services but we will always honor him in our hearts as we remember his wry smile, gentle eyes and subtle sense of humor!

## CHECK IT OUT

By Paul fackler

<http://www.instructables.com/id/Woodcarving-the-Female-Form-with-Peter-Boyd/>

The ultimate wood carving challenge –to carve a 500 year old oak tree into the female human form. See how the artist approaches his task, how he thinks and how he successfully

carves a beautiful woman's face in the tree, using a chain saw and chisels.

His most famous work to date is ['The Goddess in the Forest'](#) carved into a living tree which was hit by lightning at [Cae Mabon](#) in Snowdonia, North Wales, UK. This woodcarving sculpture is not only remarkable for its captivating beauty, but also for the story behind it. There are not many woodcarvers who will attempt the female human form as it is so difficult to get right. Many people will carve bears and other animals as the thick coats give relatively amorphous forms rather than the delicate bone structure of a person.
